**THE NEW THINKSERVER READY PROGRAM  
OPTION COMPATIBILITY MATRIX FOR**

**LENOVO THINKSERVERS**

**"PRESENTING the Lenovo ThinkServer Ready Program**

To ensure that our servers run uninterrupted, we have carefully selected and tested industry-leading products for compatibility. This simply means that you don't have to run from pillar to post to find the right solutions for your ThinkServer. Just plug-in, power-on, go.

**SALIENT FEATURES OF THE PROGRAM**

- Takes the guesswork out of choosing solutions to address your business
- Wide array of offerings (Battery Backup, LTO Tape Backup, KVM console)
- Offerings are tested, ready and fully supported by Tripp Lite and Tandberg Data
- Offerings have Lenovo PN's and can be accessed from Lenovo and most any business partner in NA and WE.

A complete list of ThinkServer Ready offerings and configuration details can be obtained from our web based configurator ([www.thinkserverconfig.com](http://www.thinkserverconfig.com)), [www.lenovo.com/thinkserver](http://www.lenovo.com/thinkserver), and within our options guide
