With superior design and performance, the Lenovo® ThinkCentre® E73z All-in-One (AIO) is the edge that you’ve been waiting for. Designed to conserve space, the E73z is perfect for small offices, educational institutions, or anyone working in public sector.

Out-of-the-box, the AIO offers simple cable management, superfast Intel® Core™ i7, and up to 20% faster performance with Solid State Hybrid Drives (SSHD). Hardware and software security features like ThinkVantage software, Rescue and Recovery® and USB Port Disable in BIOS keeps both the AIO and its data secure. And finally, the 720p HD camera, digital microphones with Noise-Cancelling, and high-quality stereo speakers make the E73z perfect for collaboration in any environment.
Lenovo® recommends Windows 8 Pro.

THE LENOVO® THINKCENTRE® E73z ALL-IN-ONE

POWER AND PERFORMANCE

- Handle even the most demanding tasks with 4th generation Intel® Core™ i processors, up to i7
- Windows 8 - Experience the new realm of productivity
- Multitask and manage multiple active displays with the View Management Utility (VMU) software
- Connect easily with other devices with WiFi Direct, without the need for a wireless access point
- Faster, smoother, and more responsive apps with up to 16GB RAM
- SSHD delivers up to 20% performance improvement vs. classic hard drives

USABILITY, RELIABILITY AND SECURITY

- Offering VESA mount and options of multiple monitor and frame stands for easy viewability
- Simplified management with cableless design and integrated PSU for a single cable setup
- Protect your valuable data with Computrace® and the ability to disable USB ports in the BIOS
- Strengthen hardware security with the Kensington® slot, which doubles as a chassis lock

ECO FRIENDLY – GREEN

- Strike the perfect balance between performance and power consumption with Cisco EnergyWise certified Desktop Power Manager
- Reduce your carbon footprint with the E73z’s compliance with ENERGY STAR 5.2, EPEAT® Silver, and EuP 2013

SERVICE OFFERINGS

Lenovo® offers a comprehensive portfolio of services to support and protect your ThinkCentre® Edge investment. Focus on your customers and business, not your IT.

Priority Technical Support

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and rapid response and resolution.

Warranty Upgrades – Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair service the next business day.

Warranty Extensions (1-to-4 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.
