Introducing the Lenovo® ThinkPad® E431/E531, powered by the latest Intel® 3rd Generation Standard Voltage processors. Powerful computing is complemented by crisp and clear visuals, with an HD display and NVIDIA® discrete graphics. Especially impressive is the inclusion of up to 16 GB RAM and a Rambo DVD optical drive. If one needs an exceptional full-featured laptop at an affordable price tag, the E531 is the perfect purchase.
Lenovo® recommends Windows 8 Pro.

THE LENOVO® THINKPAD® E431/E531 LAPTOP

SERVICES OFFERINGS

Lenovo® offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad Edge investment. Lenovo Services lets you focus on your customers and business, not your IT.

Priority Technical Support
- Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, rapid response and resolution.

Warranty Upgrades - Onsite Next Business Day
Maximizes PC uptime and productivity by providing convenient, fast repair services at your home or office.

Warranty Extensions (1 to 4 Years Total Duration)
This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

Accidental Damage Protection – Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.
