

## STAY IN TOUCH

Fun is a netbook that's also a touch-screen tablet—the IdeaPad S10-3t with Lenovo NaturalTouch Panel.

The Lenovo® IdeaPad™ S10-3t features a 10.1" screen with Lenovo NaturalTouch multi-touch technology that can swivel 180° to convert from a netbook to a tablet. With a suite of touch-optimized multimedia applications, the IdeaPad S10-3t makes mobile computing more fun and intuitive. From just 15mm thick and weighing 1.25kg, this netbook boasts long battery life and integrated connectivity features that will keep you in touch with friends and family wherever life takes you. The IdeaPad S10-3t is packed with useful technology including DirectShare, for quickly synchronizing your files with another PC and Quick Start—for fast access to your music, photos and the web even before booting to the Windows® desktop. It also comes with Dolby® Headphone surround sound, Active Protection System™ and much more besides. All in all, the IdeaPad S10-3t is the ultimate netbook for enjoying life on the move.
