Here’s how to create experiences that support and motivate your workforce.

1. Prioritize workforce well-being

   - 74% of remote workers say mental health issues since COVID-19 impact their performance.2
   - 45% miss social interactions.3

2. Create a collaborative culture

   - 44% of organizations are reviewing office design to align with new needs.1
   - Managers account for 70% of the variance in their teams’ engagement.4

3. Train managers to succeed in the hybrid workplace

   - 82% of employees believe company tech isn’t keeping up with needs.5
   - 45% have purchased tech to work from home.5

4. Deliver technology users want and IT needs with the Intel® Evo™ vPro® platform

   - 4x of IT budget will be for EX by 2022.6
   - 74% of organizations say EX is a strategic differentiator... but only 4 are very satisfied with their EX capability.1

It’s all connected. If we can attain the ultimate employee experience, then we are well on our way to the ultimate patient experience. You can’t have one without the other.”
