Lenovo Go
USB-C Laptop Power Bank (20000 mAh)

Power your productivity on the go.
Why choose the Lenovo Go USB-C Laptop Power Bank (20000 mAh)?

Power that never quits
With 20,000 mAh and 65W at your disposal, you’ll never have to worry about running out of battery again. 3 hours is all it takes to charge the power bank to full battery. Once ready, you’ll have enough juice to charge your laptop at least once and your mobile devices several times. It is compatible with PD3.0 devices charging.

Simultaneous charging
The innovative design of the Lenovo Go USB-C Laptop Power Bank enables you to simultaneously charge up to 3 devices via dual USB-C ports and one USB-A port. Thanks to the device’s dual USB-C capabilities, you can also charge up to 2 devices while recharging the power bank itself.

Hassle-free experience
Say goodbye to the days of carrying a bundle of cables or forgetting to bring them at all. The Lenovo Go USB-C Laptop Power Bank integrated cable is fixed to the device and easily accessible by pulling the Lenovo logo, delivering maximum performance, safety, and mobility when you need it.

USB-C Laptop Power Bank (20000 mAh)
Power your productivity on the go.
The Lenovo Go USB-C Laptop Power Bank (20000 mAh) is a game-changing solution for remote workers who need access to a large reserve of power for their USB-C laptops and devices to achieve peak productivity. With a whopping 20,000 mAh capacity, you can rapidly charge multiple devices even while you are recharging the power bank.
