

Lenovo 500e Chromebook Gen 4s

The new Lenovo 500e Chromebook Gen 4s delivers powerful versatility at exceptional value for students and teachers no matter the setting. With elevated features that include dual USB-C ports and enhanced serviceability, this lightweight and flexible 2-in-1 device enriches every learning experience in the classroom and on the go. Confidently tackle every assignment with a powerful Intel® Processor up to N200, up to 8GB memory, and up to 64GB storage—all built on the intuitive, user-friendly ChromeOS platform.

Enjoy the extended lifecycle of this convertible with the CRU (customer replaceable unit) battery for quick replacement, a removable battery door for easy access, and user-friendly design with captive screws. Lightweight productivity is paired with robust durability, as this convertible meets the impressive Lenovo DuraSpec standards, including anti-pry, spill-resistant keyboard up to 360ml. Protected by Gorilla Glass®, reinforced buttons and connectors, plus the toughness to withstand a 76cm drop onto concrete, the stress of school-day bumps and drops is a thing of the past.

Lenovo 500e Chromebook Gen 4s

FLEXIBLE LEARNING

The Lenovo 500e Chromebook Gen 4s transforms from laptop to tablet to tent, moving at the speed of imagination. Weighing in at just 1.33 kg, this convertible boasts an 11.6" HD IPS touch display with optional garaged US1 2.0 Stylus pen, allowing students to easily take notes on screen and teachers to grade assignments with maximum convenience. Two USB-C ports amp up flexibility even more, while the all-day battery life of up to 15.5 hours plus anywhere connectivity with Wi-Fi 6/6E and Bluetooth® 5.2 mean you can take learning wherever you go.

CREATIVE INSPIRATION

See how engaging and interactive learning can be. The user-facing camera with webcam privacy shutter, along with the optional 5MP world-facing camera and Waves Audio enable students and teachers to create, share, and collaborate with clarity. Built on the familiar and intuitive ChromeOS platform, this budget-friendly 2-in-1 cultivates curiosity in every subject.

IMPRESSIVE DURABILITY

Designed to Lenovo DuraSpec standards for education, the Lenovo 500e Chromebook Gen 4s endures water spills up to 360 ml, a drop onto concrete at 76 cm, and A-cover force of 60kg. With anti-pry anchored keycaps, reinforced ports and hinges, shock and bump resistance, and Corning® Gorilla® Glass, this device is built to withstand the rigors of everyday rough handling.

Experience the power of Chrome Education Upgrade.

As learning evolves, the Lenovo 500e Chromebook Gen 4s with Chrome Education Upgrade is empowering educators and equipping students for what's next. Chrome Education Upgrade allows schools to manage hundreds of Chromebooks in seconds. IT admins can deploy new devices, customize features, and configure security settings from one cloud-based admin console.

The intuitive platform allows educators to personalize the student experience by sharing material with the class in real time and rolling out standardized tests with kiosk mode. When necessary, stolen devices can be remotely disabled or wiped in an instant. Plus, free 24/7 support from the experts at Google ensures a confident user experience for all. This notable 2-in-1 enables outside-the-box learning—in the classroom, at home, or within a hybrid model—nurturing individual needs for better learning outcomes.

Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

PREMIER SUPPORT

As IT budgets contract, you need to reduce complexity, decrease operational costs, and find ways to increase efficiency from your in-house IT support teams. Lenovo™ Premier Support manages routine support tasks, freeing IT to focus on strategic efforts that move the organization forward. Boost end-user productivity and limit downtime with direct access to elite Lenovo engineers who provide unscripted, advanced hardware and software support.

ChromeOS ZERO-TOUCH ENROLLMENT

Get the right devices to employees while securing endpoints, surfacing new cloud-based tools, and managing overburdened help desks. Zero-touch enrollment from Lenovo and Google allows remote deployment and auto-enrollment, shipping devices directly to users.

ACCIDENTAL DAMAGE PROTECTION (ADP)

Minimize student downtime and protect your device from damage not covered under warranty with unlimited repairs in the event of unintentional mishaps. Accidental Damage Protection is performed by Lenovo trained technicians, using Lenovo Qualified parts and comprehensive diagnostic tools.

Lenovo 500e Chromebook Gen 4s

Committed to sustainability

At Lenovo, we're focused on providing smarter technology that builds a brighter, more sustainable future for our customers, colleagues, communities, and the planet. We're determined to build a smarter future for all through the products and services we offer.

As we continue innovating to provide technology solutions that are more energy efficient and human-centered like the Lenovo 500e Chromebook Gen 4s, we stay focused on empowering you to meet your own sustainability goals—and solve humanity's greatest challenges.
