100e Chromebook

engineered for education.

Lenovo™

Introducing 100e Chromebook, the ultimate everyday learning tool.

Looking to upgrade the classroom experience without busting your budget? Meet the 100e Chromebook! A powerful, portable PC that brings Google Classroom, G Suite for Education, and today's most popular education apps to the fingertips of students and educators. The 100e is simple to use – with just a Google ID students can get to work in a matter of seconds. With Chrome Education licenses, school administrators can control and customize how students use the 100e to fit specific security needs. Built strong to withstand classroom chaos, the 100e is a cost-efficient way to bring a little extra credit to everyday learning.
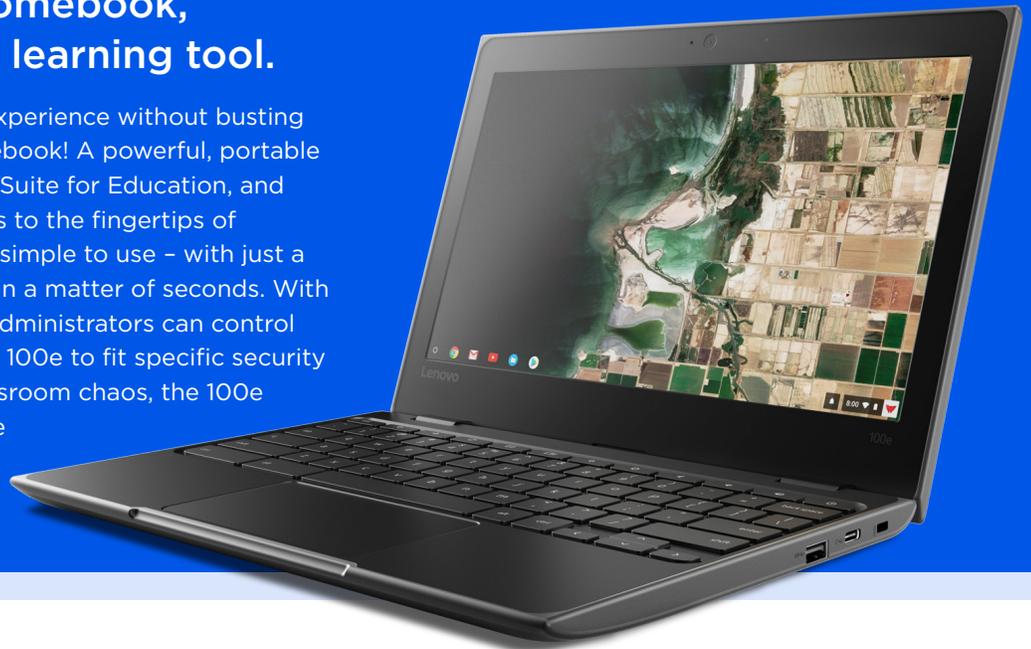

Durability Done Right

Classroom chaos is no match for the 100e. Its rubber bumpers are built to handle everyday bumps and drops up to 75cm. Plus, the keyboard not only features mechanically anchored keys but a water-resistant design. Pair all that durability with a reinforced 180-degree hinge that won't snap under pressure, and you've got a machine made to last longer than the class pet.

Classroom Compatible

The brains behind the 100e? A speedy Intel 2.4GHz Celeron processor, which gives students immediate access to popular education apps like Alma, Activity Learn, GeoGebra, and more. Pair that with G Suite for Education and students can now collaborate, share docs, and easily stay connected with teachers and classmates. Plus, all that information can be quickly accessed in the cloud anytime, anywhere. And thanks to Google Classroom, teachers can enjoy endless organizational options all year long. As you can see, the 100e definitely deserves all A's.

The Total Learning Tool

With a sleek design weighing in at a mere 2.7 lbs, the 100e packs up to 10-hours* of battery life, so students can go from first period to the final bell—all on one charge. Its sleek, compact design boasts a front-facing webcam, making it easier for students to capture photos, watch videos or collaborate on projects. Plus, its anti-glare display helps to reduce eye strain throughout the day. Just a few of the many ways the 100e makes it easy to love learning.

Lenovo Offerings & Services

Chrome Education license
Chrome Education license enables IT administrators to manage a few or a fleet of Chrome devices within a centralized, easy and intuitive software interface. Lenovo makes it easy to acquire as an OEM authorized distributor of Commercial Chrome Education license.

Warranty upgrades – onsite and next business day
Maximize PC uptime and productivity by providing convenient, fast, repair service at your organization.

Warranty extensions (1-3 years total duration)
This fixed-term, fixed-cost service helps accurately budget for Chromebook expenses, protects your valuable investment and lowers the cost of ownership over time.

Accidental damage protection
Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or screen damage.

G Suite for Education
Easy access to Google's G Suite family of apps keeps everything under one roof and free of software licensing fees. Simple cloud management and 24/7 support make Chromebooks easily scalable to any size classrooms, big or small.

Options / Accessories

USB-C to HDMI Adapter

Lenovo Laser Wireless Mouse

Lenovo Professional Wireless Keyboard

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.
