Lenovo

Delivering Modern Technology for the New-Gen Workforce

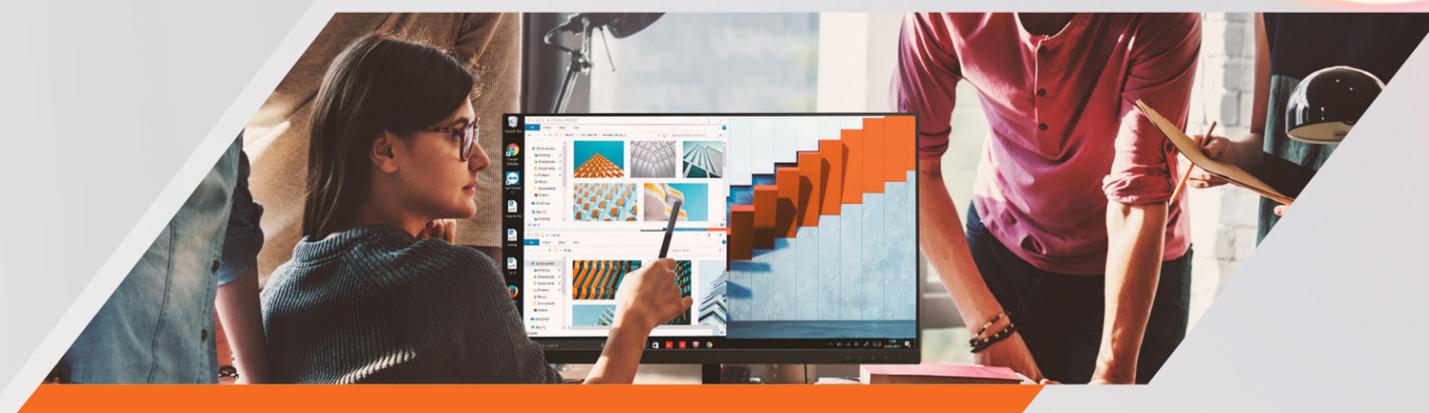

Millennials and Gen Zs are taking over workplaces around the world and changing the way companies run their business. They demand dependable tools that give them an edge and enhance their potential. Stylish, secure, and powerful, the Lenovo ThinkBook is designed to meet the needs of both the employees and the organization.

To further enhance the performance and experience of multi-skilled professionals, Lenovo has included an ecosystem of Think services and accessories. Think services offer immediate and complete hardware and software support for modern devices that are powered by Intel® processors and Windows 10 OS.

ThinkBook Services and Accessories to Boost Productivity

The services and accessories ecosystem designed for ThinkBook empowers the new-gen workforce. Reliable peripherals, support services, monitors, and other add-ons are not just nice to have, but a necessity to maximize the utility of the ThinkBook. With the right support, professionals can simplify their everyday tasks, expand their capabilities, and achieve more—even while traveling.

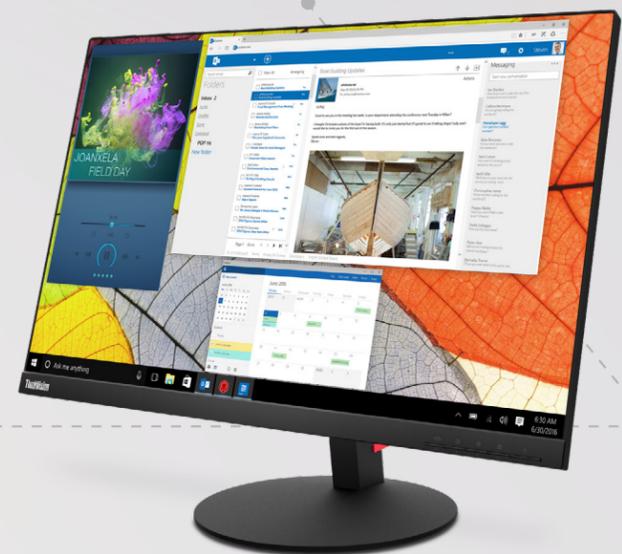

Monitors That Enhance Visual Experience

Today's multifaceted workforce seeks easily configurable and performance-boosting devices that complement their job roles and allow them to be more productive at everything they do.

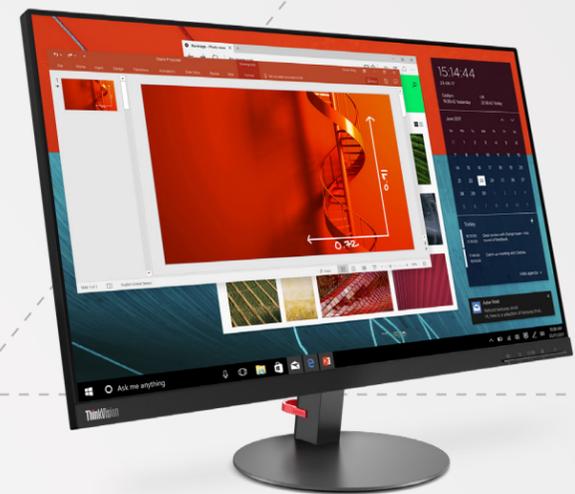

Designed for better ergonomics, Lenovo's ThinkVision Series of monitors deliver an enhanced and comfortable viewing experience that is well suited for both content creation and consumption.

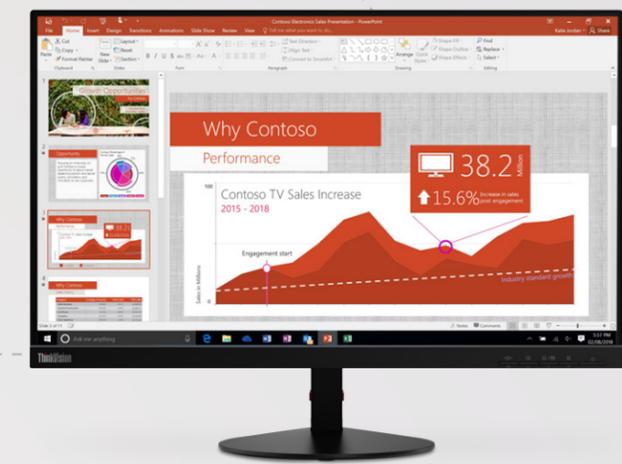

ThinkVision T27i

ThinkVision T25d

ThinkVision S27i

ThinkVision S24e

ThinkVision T27i

Full-HD In-Plane Switching display and NearEdgeless screen offer vivid color and exceptional clarity for graphic-intensive tasks

Adjustable monitor stand provides lift, tilt, pivot, and swivel functions for viewing comfort while multitasking across the ThinkBook and the monitor

DP, HDMI, and four USB 3.1 Gen1 ports ensure easy connectivity to the ThinkBook for increased productivity

ThinkVision T25d

25-inch NearEdgeless In-Plane Switching, WUXGA display with 99% sRGB color gamut offers rich visual detail for quality content creation

HDMI 1.4, DP1.2 and four USB 3.1 Gen1 ports allow high quality data transfer from the ThinkBook for impeccable presentation meetings

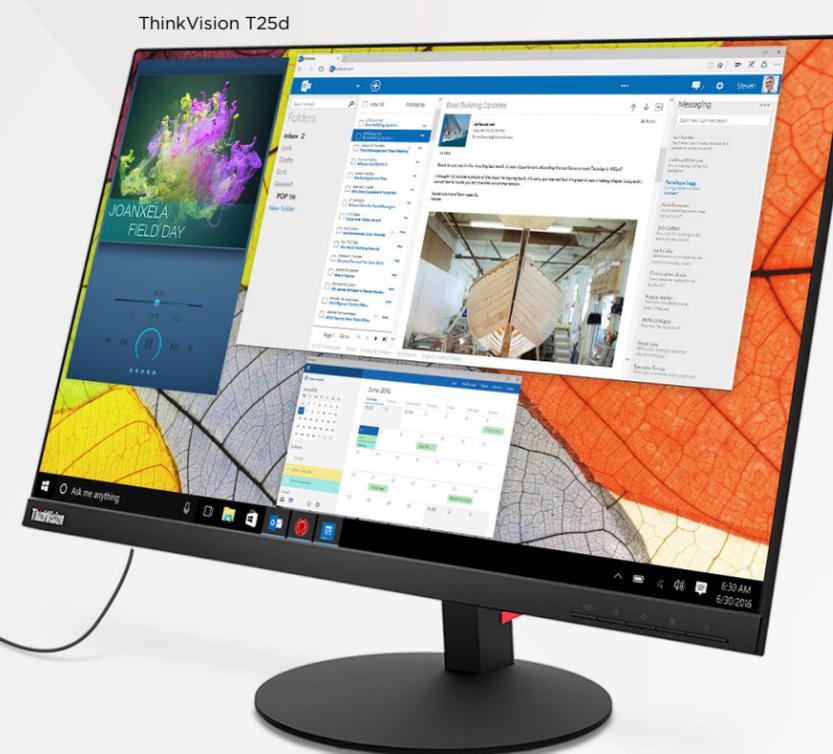

16:10 display offers 8% larger display area than a traditional 24-inch 16:10 monitor for superior viewing experience

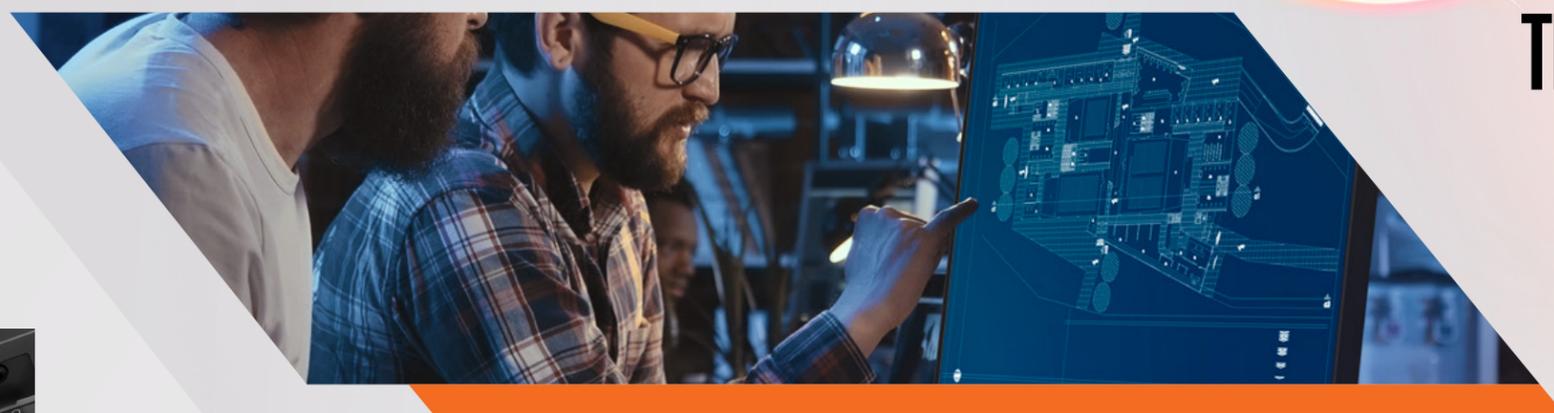

ThinkVision T27i

ThinkBook 13s

ThinkVision T25d

ThinkVision S27i

TÜV Eye Comfort certification reduces eye fatigue and FreeSync™ technology minimizes motion blur for precise viewing

27-inch NearEdgeless In-Plane Switching panel, full-HD display, and 178° viewing angle offer stunning and crisp visuals from all angles

HDMI 1.4 ports enable effortless connectivity to the ThinkBook for a rich multimedia experience

ThinkVision S24e

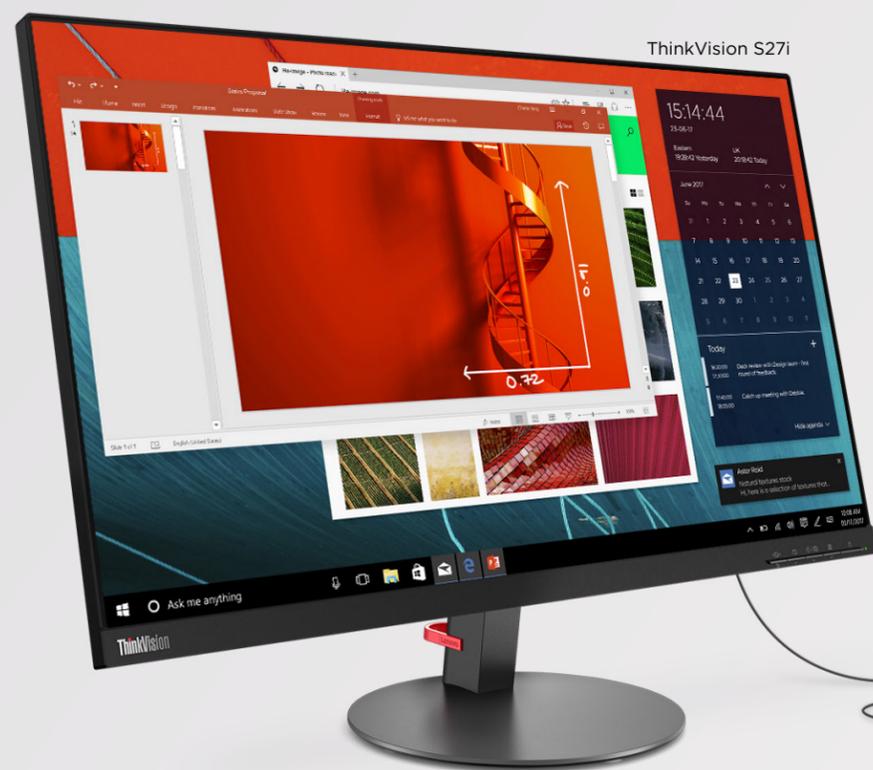

24-inch full-HD NearEdgeless display offers unimpeded clarity for graphic-rich tasks while 178° viewing angle ensures distortion-free visuals

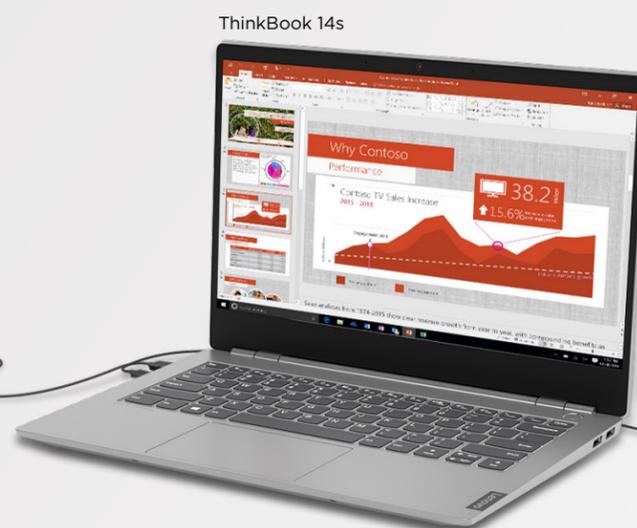

HDMI and audio ports expand connectivity capabilities for improved productivity while working on the ThinkBook

FreeSync™ technology prevents screen tearing for smooth data viewing while TÜV Low Blue Light and Flicker-Free certification minimize eye strain

Lenovo USB-C 7-in-1 Hub

AUDIO: Hear and be heard clearly

Lenovo VoIP 360 Camera Speaker

PN: GOA5360CWW, GOA5360CJP, GOA5360CCN, 40AT360CWW

Plug and play functionality with **360° video and speaker** enables efficient collaboration, anytime, anywhere

Environment Noise Suppression (ENS) and **Acoustic Echo Cancellation (AEC)** allow clear audio delivery

Compatible with **Skype for Business Standard, Amazon Chime, Cisco Jabber, Cisco Webex, Google Hangout, and QQ**

Lenovo 520 Bluetooth In-ear Headphone

PN: N/A

High-resolution audio of up to **40KHz** delivers superior audio for effective on-the-go conferencing

In-line microphone with **control box** allows business users to manage calls with ease

Supports **Bluetooth® 5.0** for easy connectivity to both the ThinkBook and a smartphone at the same time

STORAGE: Get the storage space you need and more

Lenovo USB-C SSD

PN: N/A

Three massive **storage options, 256GB, 512GB, and 1TB** deliver faster load times for applications, games, and multimedia

USB Type-C port offers data transfer speed up to **430Mbps**—four times faster than a traditional HDD

Slim and light, the SSD is easy to carry and **comes with a pouch** for better protection

Lenovo F310S USB 3.0 External Backup Hard Drive

PN: GXB0Q25512

Up to **1TB of storage capacity** and up to **5Gbps transfer speed** make it ideal for storing large files

Anti-static design and **surge protection shield** protect data from unexpected power jolts

Sleek and stylish leather case conveniently slips into any bag and provides wear and tear protection

DOCKING: Make multitasking a breeze

ThinkPad Hybrid USB-C with USB-A Dock¹

PN: 40AF0135US

Offers connection to up to **dual 4K displays with DisplayPort and HDMI ports** for rich multimedia experience

ThinkPad Hybrid USB Type-C with USB Type-A offers up to **10Gbps data transfer rate on three USB 3.1 Gen2 ports**

RapidCharge² support for ThinkBook boosts productivity on the go

²Only available on ThinkBook 13s UMA

¹ThinkPad USB-C Gen 2 Dock and ThinkPad Hybrid USB-C with USB-A Dock don't support ThinkBook S power charging. Additional power adapter required.

ThinkPad USB-C Dock Gen2¹

PN: 40AS0090XX

Supports single **UHD display at 30Hz** or **dual full-HD displays** for seamless multitasking

Single cable USB Type-C³ supports up to **10Gbps data transfer speed** along with power, and video delivery

³USB-C (PD) port will be available on ThinkBook 13s/14s in October refresh

Provides complete control over the PC with **Wake-On LAN from sleep mode, PXE boot, and MAC address pass-through**

MOBILITY: Increase work flexibility with business essentials

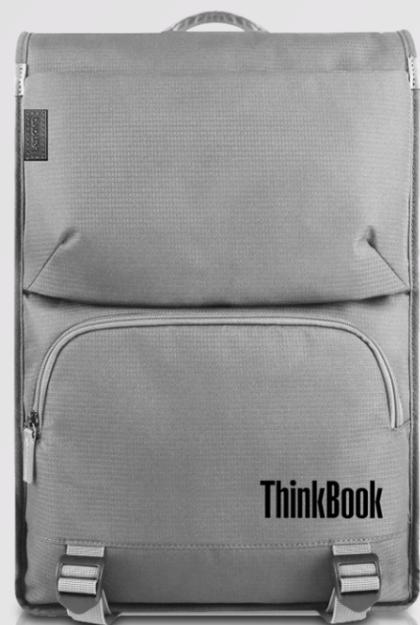

ThinkBook Urban Backpack

PN: 4X40V26080

Padded PC compartment that offers cushioned comfort fits up to 15.6-inch laptop

Multi-functional backpack with anti-theft pocket ensures security on the move

High-quality fabric and stylish PU leather accent add to the contemporary design

Laptop PowerBank 14000mAh¹

PN: 40AL120CWW

14000mAh battery powers up one laptop and two other mobile devices

Slim and lightweight design makes it easy to handle and carry around

With a fast recharge time, it takes **less than 2 hours²** for complete charge

¹Compatible with slim-tip, round-tip, and USB-C powered notebooks. ²Depends on power adapter used. Value measured using 45W adapter.

Lenovo 700 Ultraportable Bluetooth Speaker

PN: 4XD0T32974- ROW 4XD0T33015 - PRC GXD0T32973 - ROW

At just **11mm thinness**, this wireless Bluetooth speaker can easily fit in a pocket

Up to **12 hours³** of audio playback and **Bluetooth® 5.0** or **USB Type-C connectivity** offer an enriched audio experience that goes on and on

³At 70 percent volume

IPX2 splash-proof water resistance design with **touch controls** for audio playback and VoIP enhance user experience in meetings or on the go

PRIVACY: Protect data from shoulder surfers

Lenovo 13"/14" Laptop Privacy Filter from 3M

PN: 13.3" - 4XJ0N23167, 14" - 0A61769

Darkens the screen at specific viewing angles, restricting the screen's field of vision

Prevents data theft by showing data only to the person seated directly in front of the screen

Patented 3M privacy technology available for both 13 and 14-inch screens

INPUT: Interact with your PC in more ways than one

ThinkBook Wireless Media Mouse (Lenovo 600 Wireless Mouse)

PN: N/A

Ergonomic right-handed design with thumb rest ensures user comfort

Up to **3200dpi** adjustment, **2-level scroll wheel adjustment**, and **dedicated volume buttons** offer more control and precision

Battery life of 12 months with a single AA battery ensures uninterrupted productivity

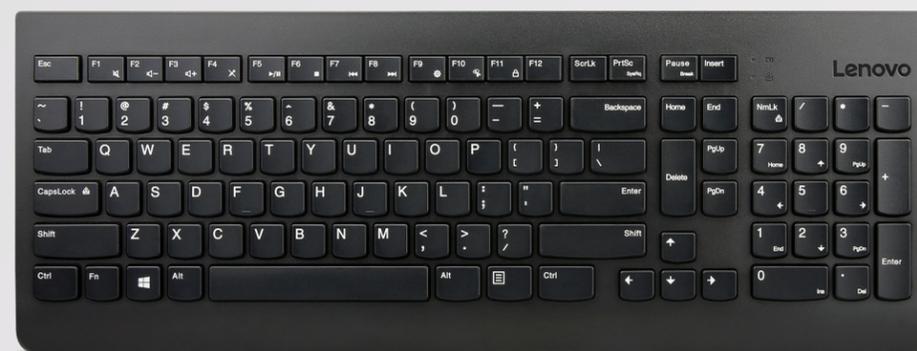

Lenovo Essential Wireless Keyboard and Mouse

PN: 4X30M39496

Durable water-resistant keyboard casing offers protection against accidental spills

Ergonomic mouse with **1200dpi optical sensor** enables seamless navigation

Simple **2.5GHz dongle** provides complete control of both wireless keyboard and mouse

EXPANSION: Connect to peripherals instantly

Lenovo USB-C Travel Hub

PN: N/A

Provides instant connection to external display, wired network, or a **USB 3.0 device via a single USB Type-C port**¹

¹USB-C (PD) port will be available on ThinkBook 13s/14s in October refresh

Supports **vibrant 4K display with 1080p resolution** for easy multitasking or meeting room presentations

Fewer transition cables and portable design conveniently match the needs of mobile users

Lenovo USB-C 7-in-1 Hub

PN: N/A

Seven connectivity options including USB 3.0, USB 2.0, TF, and SD card reader provided in one portable hub

HDMI 1.4 port offers connectivity with up to **two vibrant 4K displays** for easy multitasking

Effortless charging via ThinkBook without an additional AC adapter

Support Services To Maximize Business Uptime and Efficiency

Lenovo offers a comprehensive portfolio of business-grade services to protect ThinkBook devices—so that users can focus on the work instead of IT.

BASE SERVICES

SERVICES AND SUPPORT

CUSTOMER BENEFIT

Base Warranty (Depot or Onsite)

Offers 1 year coverage against defective parts on the product with quick repair or replacement at customer's location. Reduces IT costs on product shipping.

Warranty Delivery (Think)

Provides default Think brand warranty delivery.

Call Center Support (Think)

Provides default Think brand call center support.

Warranty Self-Maintainer

Allows Lenovo customers to perform warranty repairs on Lenovo products that they own or lease.

Authorized Warranty Service Provider (AWSP)

Offers quick and quality service for Lenovo hardware from authorized Lenovo resellers.

International Warranty Service (IWS)

Enables customers who travel with or relocate any IWS-eligible Lenovo product to receive Warranty Service in any country where Lenovo products are sold and serviced.

Maximum Warranty Extension

Based on product lifecycle determined by the Product Engineering group.

OPTIONAL SERVICES

SERVICES AND SUPPORT

CUSTOMER BENEFIT

Depot

Reduces IT costs by having Lenovo pay for shipping from the designated service center after the product gets repaired.

Expedited Depot

Offers faster depot service with 3-business-day repair guarantee rather than 7-10 days through standard depot.

Onsite Next Business Day (NBD)

Saves IT resources (time and money) by having Lenovo-certified technicians arrive the next business day at customer site to repair products.

Accidental Damage Protection (ADP)

Minimizes downtime and unexpected IT expenses with coverage beyond base warranty on accidental damage for labor, parts, and one full machine replacement.

Premier Support

Provides direct access to highly skilled technicians and ensures highest level of support and incident resolution for improved productivity.

Tech Install Customer Replaceable Unit (CRU)

Offers the convenience of onsite CRU part replacement by a Lenovo-qualified technician to avoid unnecessary time and hassle.

Custom Term Part Number Creation (CPN) i.e. 15 months

Provides custom warranty length and terms matching customer needs for all upsell services. Availability may differ by geography.

Online Data Backup (OLDB)

Safeguards business data with enterprise-grade encryption. Offers automated Cloud data backup and web-based administration. Service availability may differ by geography.
