

Water and Waste VERIFICATION STATEMENT

In accordance with our engagement contract with you dated February 17, 2012 and for the avoidance of doubt, we confirm that our Assurance Report to you dated June 11, 2012 incorporated the following matters:

Bureau Veritas North America provides **Reasonable Assurance** for the water and waste data reported by Lenovo Corporation from **April 1, 2011** through **March 31, 2012**. It is our opinion that Lenovo's reported quantities for water and waste for FY 2011/2012 are complete and accurate. We are satisfied the reported quantities are a fair representation of Lenovo's water and waste for the stated period and boundaries.

Date Verification was Completed: June 11, 2012

Type of Verification: Reasonable Assurance

Reporting Protocol against Which Verification was Conducted: NA

Verification Protocols Used to Conduct the Verification:

- ISO 14031:1999 – Environmental Management – Environmental Performance Evaluation

GHG Verification Methodology:

- Interview relevant personnel from Lenovo responsible for water, waste and recycled material data at site and corporate levels;
- Site reviews of Lenovo data, information systems and methodologies for collection, aggregation, analysis and review of information used to determine water and waste quantities at Shanghai, China; Whitsett, North Carolina; and Morrisville, North Carolina.
- Audit of sample of source data used to determine water and waste quantities.

Reporter's Organizational Boundaries:

Operational Control

Geographic Scope of Verification

Global Emissions

Verified Lenovo Entity-wide Water and Waste Quantities for FY 2011/2012

Water Consumed: 508,935 m³

Waste Water Discharged: 484,072 m³

Non-Hazardous Solid Waste: 16764.7 mt (Recycled volume: 15,096.6 mt)

Hazardous Waste: 11.2 mt

Lenovo
FY 2011/2012 Verification Statement

Statement of independence, impartiality and competence

Bureau Veritas is an independent professional services company that specializes in Quality, Health, Safety, Social and Environmental management with over 184 years history in providing independent assurance services.

No member of the verification team has a business relationship with Lenovo, its Directors or Managers beyond that required of this assignment. We conducted this verification independently and, to our knowledge, there has been no conflict of interest.

Bureau Veritas has implemented a Code of Ethics across the business to maintain high ethical standards among staff in their day-to-day business activities.

The verification team has extensive experience in conducting assurance over environmental, social, ethical and health and safety information, systems and processes, has over 20 years combined experience in this field and an excellent understanding of Bureau Veritas standard methodology for the verification/validation of greenhouse gas emissions data.
