

使用 PC Doctor 查詢 HDD 資訊的方法

1. 使用 PC Doctor 程式磁片 (For DOS 版) 開機。

2. 進入 PC Doctor 程式主畫面中，請選擇畫面上方 (Hardware Info) 項目中的 (IDE Drive Info) 欄位。

3. 此時畫面即可顯示此 HDD 的所有資訊。

4. 若需要此程式，可至 IBM 網站免費下載（檔名：t3qt9fa.exe）：

<http://www-306.ibm.com/pc/support/site.wss/document.do?Indocid=MIGR-39306>

The screenshot shows a web browser window displaying the IBM support page for the Enhanced Diagnostics program. The page title is "IBM Personal computing support - Enhanced diagnostics - Aptiva / NetVista / IBM PC / ThinkCentr - M...". The browser address bar shows the URL: <http://www-306.ibm.com/pc/support/site.wss/document.do?Indocid=MIGR-39306>. The page content includes a table of file details:

	File link	File size	File description
Operating system installation	File details		
Important information	Version:	2.0.1360	
Submit a request	Release Date:	2004/09/13	
Warranty
