## Lenovo's Progress on RoHS

Lenovo is committed to protecting the environment. An important priority for Lenovo was the implementation of RoHS (Restriction of Hazardous Substances) requirements globally. Lenovo has met all the RoHS requirements currently in effect, most well in advance of their implementation dates.

- Lenovo products sold in the European Union, on or after July 1, 2006, meet the requirements of Directive 2002/95/EC of the European Parliament and of the Council of 27 January 2003 (RoHS). Directive 2002/95/EC was repealed on 3 January 2013 and replaced by Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011.
- Lenovo products sold in the European Union, on or after 3 January 2013 meet the requirements of Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS recast" or "RoHS 2").
- Lenovo products sold in Japan, on or after July 1, 2006, meet the requirements of J-Moss ("Japan RoHS").
- Lenovo products sold in California, on or after January 1, 2007, meet the requirements of "California's RoHS" (SB 20, 50).
- Lenovo products sold in the People's Republic of China, on or after March 1, 2007, meet the requirements of "Management Methods for Control of Pollution from Electronic Information Products" ("China RoHS").
- Lenovo products sold in South Korea, on or after January 1, 2008, meet the requirements of "South Korea's equivalent of EU RoHS, WEEE and End of Life Vehicle (ELV) Directives" ("South Korea RoHS").
- Lenovo products sold to the New York City government, on or after March 1, 2007, meet the requirements of the City's environmental preferred purchasing regulations.
- Lenovo products sold in Turkey, on or after June 1, 2009, meet the requirements of the Republic of Turkey Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (EEE) ("Turkey RoHS").
- Lenovo products sold in Ukraine, on or after January 1, 2011, meet the requirements of the Technical Directive on Restriction of Hazardous Substances in Electric and Electronic Equipment enforced by the Government, Decision No 1057 dated 2008/12/03" ("Ukraine TR on RoHS").
- Lenovo products sold in India, on or after May 1, 2012, meet the requirements of the India E-waste (Management and Handling) rules, 2011. ("India RoHS").
- Lenovo products sold in Vietnam, on or after September 23, 2011, meet the requirements of the Vietnam Circular 30/2011/TT-BCT ("Vietnam RoHS").
- Lenovo products sold in Thailand, on or after February 2, 2009, meet the requirements of Thai Industrial Standard TIS 2368-2551-Electrical and Electronic Equipment that may contain Hazardous Substances: Restriction of the use of Certain Hazardous Substances ("Thailand RoHS").

Lenovo complies with RoHS requirements in each geography and country in which our products are sold worldwide.
