<b>Workstations</b> <a href="#">IntelliStation</a>	<b>Accessories &amp; upgrades</b> <a href="#">Keyboards, Memory, Mice, Storage, Wireless communications, and more</a>

點選此項, 進入機型列表頁面

### 三. 點選要查找的機種(以 PC 來說有 Netvista,ThinkCentre,Aptiva...等)

The screenshot shows a Microsoft Internet Explorer browser window displaying the IBM Personal computing support website. The page title is "IBM Personal computing support - Personal computing drivers". The URL in the address bar is "http://www-306.ibm.com/pc/support/site.wss/document.do?indocid=DRVR-MA TRIX".

The page content includes a navigation bar with links for "Home", "Products & services", "Support & downloads", and "My account". Below this is a search bar and a "Select a country" dropdown menu. The main heading is "Personal computing drivers".

The "Driver matrices" section lists various IBM products, with "NetVista" highlighted by a red circle. A red arrow points from the annotation "點選欲查找之機種,進入機型列表頁面!!" to the "NetVista" link. Other links in the list include ThinkPad, ThinkCentre, Aptiva, Servers, NetFinity Manager, IntelliStation, IBM PC, Think Accessories, ThinkVision, OS/2, Systems Management, Ethernet Adapters, WorkPad, ServeRAID software, and Network Station.

The left sidebar contains links for "Personal computing support", "Warranty", "Automated solutions", "Troubleshooting", "Submit a request", "Support phone list", "Site feedback", "Site help", and "Search PC support". There is also a "Related links" section with various support resources.

四. 選出機器的型號,通常在機器正面面板上的左下角(EX:直立式電腦)可找到一張小長方型標籤,第一行開頭為 M/T 後面的字元即是機型號碼共七碼,其中前四碼即為型號,例如:6824

The main content area lists various machine types under the heading "Download multiple files". A red circle highlights the link for "Machine Type 6824" under the "IBM NetVista A30" category. A red arrow points from a red text box to this link. The text box contains the instruction: "點選機器之機型,進入驅動程式列表頁面!!".

## 五. 選擇要下載的驅動程式項目

The screenshot shows the IBM support website for NetVista 2289, 6824. The page title is "NetVista 2289, 6824 - Software and device drivers". The main content area is titled "Download multiple files" and provides instructions on how to download multiple files at once. Below this, there is a section for "Downloadable files" which contains a grid of driver categories. A red box highlights this grid, and a red arrow points to it with the text "可從清單中選取所需之驅動程式!!".

This document contains the current driver levels for NetVista 2289 and 6824 systems.

This matrix only contains the most common downloadable files for the systems listed. For additional drivers or files, click **Downloadable files** and select the appropriate category.

Click the driver category below to quickly jump to the driver you need, then click the driver's filename to download it.

## 六. 依機器所安裝的作業系統選擇合適的版本,進行下載

The screenshot shows a web browser window displaying the IBM support page for NetVista 2289, 6824. The page lists various drivers under the 'Video' section. A red box highlights the 'ATI Radeon video adapter' section, which includes links for Windows 98SE / Me, Windows NT 4.0, Windows 2000, and Windows XP. A red arrow points to this section with the following text:

各項驅動程式中,因為版本或作業系統的不同,另外有區分,可依需求的條件,點選下載!!

USB 2.0	
<b>USB 2.0 driver</b>
